

REMARKS

By this Amendment, claims 45, 48 and 51 have been amended to remove the term “anisotropically” therefrom. These changes broaden the scope of these claims.

Several additional minor amendments have been made to correct inadvertent typographical errors in the claims. These amendments also do not narrow the scope of the claims.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
